

NFC MOMS Angel Sitting

2015-2016

Dear NFC Moms,

Angel Sitting is a free child care service provided by loving volunteer women during the monthly MOMS meetings. *In order to take advantage of this service, we ask that your child be able to sit independently.*

You may worry that your child will have a difficult time transitioning to a new environment and new faces. Rest assured that if there is ever a problem, one of our faithful volunteers will contact you through a MOMS team member. Children will have play time, snack time, and may watch a short children's program. We will provide a small snack, so please indicate to us if your child has any allergies or special needs.

When you arrive at the MOMS meeting, please sign in at the registration table and fill out a name tag for your child and any belongings that you will leave with them (sippie cups, backpacks, etc.).

Due to VIRTUS regulations and the small room we have been provided, we will be limiting the amount of children to ten. Although we will try our best to accommodate children at the last minute, it will be very important that you reserve a spot for your child before the meeting. An email will be sent about one week before the meeting. If we do not have any reservations by the Friday before the meeting, Angel Sitting will not be available the day of the meeting.

Please call, text, or email me if you have any questions or concerns!

Thank you,

Sarah Ambrosia
