

Our Vision

PERSONAL FAITH

- To foster an experience of conversion and renewal in the heart of women, leading to a more active living of Catholic life
- To foster an appreciation of the presence of Christ in the Eucharist and of all the sacraments, the sacred signs of our Catholic life
- To foster an even deeper sense of prayer
- To provide a broad variety of authentic educational seminars/speakers and other resources which present marriage, sexuality, family life and love, natural family planning, and parenting within the framework of Catholic teaching

FAMILY

- To foster gospel values in our families, promoting the dignity of the human person, the importance of the family, and the common good of our society

- To foster an appreciation for Catholic beliefs and religious practices within our homes.
- To talk about marriage as a God-given vocation and therefore provide various means to support couples throughout their marriage while at the same time extending compassion to those who are not married.

COMMUNITY

- To provide a social environment for women to share the joys and struggles of motherhood, form new friendships, and receive support from their Church family.
- To bring about in women such an enthusiasm for their faith that, in living their faith in Jesus, they freely share it with others
- To develop within families and households the capacity to share the Gospel
- To provide opportunities for mothers to serve others through other parish ministries and community outreach
