Mark Your Calendar: Faith Fest!

There will be two times this year when at least one parent will need to attend class with your child(ren). The first dates are **Thursday, November 21, 2024, from 6-8 pm or Sunday November 24 from 10 am until Noon**. During these times we will be celebrating Faith Fest and there will be a special speaker just for parents. Following the speaker, you will be doing some activities with your children to help grow your faith at home. Please note that these classes are longer than usual to give time to do the activities.

Ongoing Registration

If you know of a family with children who would like to attend faith formation, please encourage them to call Sr. Joanne and sign up. We respect everyone's journey and do our best to assist those in our care. We accept registrations at any time of the year and enjoy having everyone on board.

Arrival and Dismissal

Parents and guardians with small children should come into the building for both arrival and dismissal. This is best for safety reasons. We will not allow children to wait outside or by themselves. If you are sometimes running late, we understand that. Someone will stay with your child(ren) until you arrive.

If you arrive late or need to have an early dismissal, the Bingo Hall doors may be locked. In that case knock on the door and the hall monitor will let you in. If the hall monitor is not there, please come to door #4 near the office and ring the doorbell and we will let you in.

Faithfulness to Attendance

We recommend faithfulness to attending classes at Faith Formation so that your child can learn and grow as much as possible in their faith. While we understand that there are good reasons for absences, we ask that you make these classes a priority. We're just asking you to try your best to get here. If your child is sick, don't send them. Please call or email the office when you know that your child will not be in class.
